

Dreamspark Instructions

EECS Password

You will need this in order to access the Dreamspark Web Store. If you forgot it, head to <https://selfserv.eecs.northwestern.edu/>, and follow these steps:

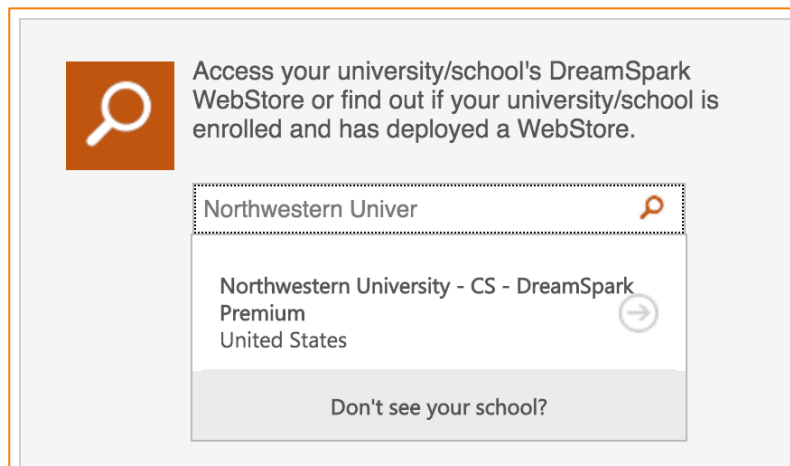

1. Choose the temporary password change (first) option, and create a temporary password by authenticating with your NetID and NetID Password.
 - a. If you have used this before, this page will be disabled for you. You'll need to email root@eecs.northwestern.edu with your NetID, and say that you need a password reset. Otherwise you can continue.
2. Once you have the temporary you will need to go to the second option (Change Password Page), and reset the EECS password using the temporary one. Make sure your new password fits the guidelines, or you won't be able to log into the Web Store later.
3. Once you reset you can move on to the next section.

Dreamspark Login

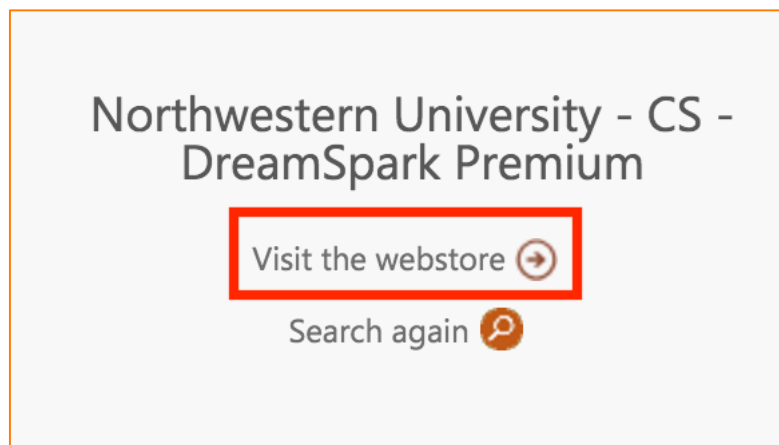

1. Go to the website <https://www.dreamspark.com/Student/Default.aspx>
2. You should see a page like below, click on the third tab.

The screenshot shows the Dreamspark Student page. At the top, there's a purple banner with "Community 2015" and a "Download" button. Below this, the text "if you can imagine it, you can create it" is followed by "3 simple steps to access Microsoft Software and Development Tools at no cost." A horizontal navigation bar contains three steps: "1. Create Account", "2. Download Software", and "3. More Software Through Your School". The third step is highlighted with a red border. Below the navigation bar, a callout box points to the first step with the text "create an account and verify your student status".

3. A box will pop up to search for your school, start typing “Northwestern University”

4. A window will pop up where you can choose to go to the web store, click this.

5. You will then be prompted to log in with your **EECS username and password**, after which you will be taken to the downloads page.
